To,
Whom so ever it may concern,

Subject: Software Engineer Internship

This is to confirm that Mr. Sudarshan Murugesan is working as a **Software Intern** in our organization since 27th January 2020 to till date and his job includes coding and debugging software applications and experimenting with design elements. You also review other engineers' code, test software applications and patches, and implement changes and updates when necessary

We at Lincoln tech always appreciate and recognize the hard work of the interns and we are glad to inform that Miss. Sharmila has learned the importance of teamwork in the success of a project. He has been a great support for the team right from the beginning of the internship program.

Yours Sincerely,
