INDIA - 2016

ANNEXURE - 30

INDIA 2016 is the Third International conference which was started in 2012 by CSI Vizag chapter here in Vishakapatnam. Information Systems Design and Intelligent Applications-conference was held in 2015 at University of Kalyani, west Bengal. This year it was organized by Dept. of CSE and ANITS CSI Students Branch on 8-9 Jan 2016.

INDIA 2016 has brought all the intellectuals, researchers, scholars and academicians internationally, who are working on information systems design and intelligent applications in the areas of computer science, information technology, communication engineering and management together at on place and acted as a stage for sharing and exchanging their views on the upcoming trends in the above mentioned areas.

About 750+ papers have been received and in which 215 quality papers after thorough review process have been selected for publications in the Proceedings by Springer-AISC series in THREE volumes. There were 8 special sessions and 13 parallel tracks where the authors will present their research work, INDIA 2016 has acted as a stage for an author to prove him/herself in his/her interested research area.

The special attraction lies with many internationally renowned and well known researchers and academicians like, Professor Ashok Deshpande from Berkeley, Professor Lakshmi C. Jain, Australia and, Dr Aynur Unal from Stanford University, Dr Rajib Mall from IIT Khargpur, Dr B K panigrahi, IIT Delhi, Dr B Majhi, NIT Rourkela, Fr G Sanyal, NIT Durgapur and many have attending this international conference and gave their key note addresses.

The Inauguration function on 8th of Jan, 2016 was attended by the chief guest Dr. GBS Prasad, Director (Personnel), RINL, Visakhapatnam Steel Plant and guests of honor Dr. Aynur Unal, Visiting Professor, IIT Guwahati and Professor Stanford University, USA, Prof P S Avadhani, Chairman CSI vizag chapter, Vice-Principal, Andhra University, Sri. Raju L. Kanchibotla, Regional Vice-President, Region-V, CSI, Sri. Aninda Bose, Publishing Editor, Springer India Pvt. Ltd.

Prof Pritee Parweker, Dept of CSE, ANITS is the Program Chair and Dr S C Satapathy, Head, CSE, ANITS is the organizing Chair of the conf. The management of ANITS, Sri V Thapovardhan, Secretary has extended excellent support in the organization of this conference

Workshop on Robotics

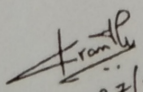

ANNEXURE - II

A two-day workshop on Robotics was organized by the Department of Computer Science and Engineering in association with ANITS CSI Student branch of Anil Neerukonda Institute of technology and sciences (ANITS) and EduRobo Pvt. Ltd., Hyderabad on 18th and 19th September 2015 at the institute. 117 students from CSE, IT, ECE, EEE, Mechanical and Civil engineering participated in this workshop.

This two day workshop was inaugurated by Prof V.S.R.K Prasad, Principal ANITS, Prof Govardhan Rao, Director Admin ANITS, Prof S C Satapathy, HoD, Dept of CSE. During his inaugural speech, Prof. VSRK Prasad presided over the function and emphasized on importance of attending the workshop. Prof. Govardhan Rao, Director Admin, outlined a brief history of Robotics and elaborated on its applications and scope. Prof S C Satapathy, Head Department of Computer Science Engineering briefed about the objectives and scope of the workshop. The resource person with EduRobo Pvt. Ltd Hyderabad, Mr. Sandeep, delineated their organization's work in the field and welcomed the participants to the workshop.

The inaugural was followed by hands-on training and the workshop. Session - I on day 1 was about introduction to robotics which dealt with differential drive systems, differential drive dynamics, dead reckoning, stepper motors, servo motors, hydraulic arms, pneumatics, control of actuators, motor drivers. Session - II was about Construction Steps in which students learnt about selection of material for Robotics, marking and designing, drilling, cutting, welding, joining parts.

Session – I on day 2 was about introduction to Microcontrollers and Programming. An overview of Microcontrollers, Arduino board and Programming, Controlling the robot sessions was given. Session – II dealt with Sensor programming and testing the robots. Students worked with distance sensor, light sensor, color sensor, temperature sensor, touch sensor, motor driver. In the last session, the resource persons organized a competition to develop a small project on robotics.

After taking valuable feedback from the participants, the Two-Day Robotics workshop was concluded with certificate distribution.

Respected Sir,

We are very happy to inform you that we have successfully completed the 2-day workshop on Robotics during 18-19th September 2015.

There were 117 students who participated in the workshop and the details are as follows:

CSE Dept - 56	Mechanical Dept - 10	ECE Dept - 08
EEE Dept - 26	Civil Dept - 08	IT Dept - 09

The detailed list of participants is attached with this letter.

This can be circulated to the respective departments and can be considered for attendance purpose for those two days.

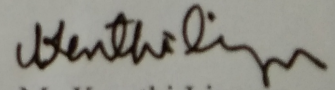

Kindly do the needful.

Thanking you

Yours Sincerely

Ms. Sunita A Yadwad
